The mission of the Guild Shop is to provide items of interest to vergers while maintaining a break even financial position. Shipping is included in the cost of everything in the Vergers Guild Shop. We also offer discounts on the Training Course and Conference Registrations.

In early 2012, the Guild Shop announced the availability of "The Basic Virge" and "The Verger's Chimere" in the Guild Shop. These are two well designed and carefully made items designed with the new verger in mind and made available as reasonably-priced items that might be used to begin a new verger ministry. Many members who have long been vergers might be interested in these items as well. Please visit the Processional Gear department for more information on these two new

products and other items that you might use during processions in your parish.

We also recently introduced the "got vergers?" department. Celebrate your verger ministry with these simple black and white items that ask this question and directs everyone to vergers.org for the answers! Check out the "got vergers?" department today!
