

## PALM SUNDAY CUSTOMARY 11:15am Service

- \*Get a bulletin and review it in advance-the service will be different than a normal Sunday: it starts outside and there is no Nicene Creed.
- \*On Palm Sunday check with the priest about where the procession will start. Share this information with the ushers and greeters so they can inform people as they enter the parish hall.
- \*Discuss with the crucifer where they need to be with the processional cross. It is probably good to get them in place around 11:00 to help the congregation know where to be.
- \*Help distribute palm crosses and palm fronds.
- \*Participate in the procession by waving your palm and shouting "Hosanna".
- \*After the service offer your help to the Altar Guild team. They may need some extra help and will appreciate the offer.
